

2nd Edition:

PEDIATRIC NEUROLOGY VALL D'HEBRÓN CAMPUS

CURRENT CHALLENGES OF SEMIOLOGY IN PEDIATRIC NEUROLOGY

October 27 to 28th, 2022

Hybrid event (In Person and Online)

**European
Reference
Network**

Program

Thursday, October 27th

08.30 - 09.00	Bienvenida
09.00 - 11.00	Motor semiology. Chair: Teresa Temudo & Alfons Macaya
09.00 - 09.30	Deborah Sival: Abnormal motor patterns during brain maturation
09.30 - 10.00	Belén Pérez Dueñas: Upper limb motor impairment in children
10.00 - 10.30	Roser Pons: Red flags in children with motor disability
10.30 - 11.00	Joint Discussion
11.00 - 11.30	Descanso
11.30 - 13.30	Other challenges in semiology. Chair: Roser Pons & Belén Pérez
11.30 - 12.00	Teresa Temudo: In one shot: Diagnosis of neuropediatric disorders based on movement and behavioral changes
12.00 - 12.30	Miquel Raspall: Back to phenotype: non-genetic clues for the diagnosis of the genetic epilepsies
12.30 - 13.00	Sergio Aguilera: Overlapping phenotypes in neurodegenerative disorders with cerebellar involvement
13.00 - 13.30	Joint Discussion
13.30 - 15.00	Comida
15.00 - 17.00	CONCURSO DE SEMIOLOGÍA CLÍNICA
	Despedida día 1

Program

Friday, October 28th

08.30 - 09.00	Bienvenida
09.00 - 11.00	When clinical diagnosis comes too late. Chair: Francina Munell.
09.00 - 09.30	Mireia del Toro: Newborn screening for neurolysosomal diseases: an emerging debate.
09.30 - 10.00	Francina Munell and Marina Flotats: Newborn screening for neuromuscular disorders
10.00 - 10.30	Elida Vázquez: Clues for pattern MRI recognition in childhood neurological diseases
10.30 - 11.00	Joint Discussion
11.00 - 11.30	Descanso
11.30 - 12.00	Keynote lecture. Chair: Alfons Macaya
11.30 - 12.00	Deborah Sival: (to be announced)
12.00 - 13.30	Current challenges in Phenotyping. Chair: David Gómez
12.00 - 12.30	Ana Camacho: Semiology of functional disorders in childhood.
12.30 - 13.00	Alfons Macaya: Genetic Determinism in the NGS era
13.00 - 13.30	David Gómez: Ontology and automated phenotyping
13.30 - 14.00	Joint Discussion
14.00 - 15.30	Comida
15.30 - 17.30	COMUNICACIONES ORALES
	Despedida día 2

REGISTRATION

In Person: 100 euros. On virtual Platform: 50 euros.

Registration at: <https://aula.vallhebron.com/>

ENDORSED BY

Meeting endorsed by the Spanish Society of Pediatric Neurology and the European Reference Network on Rare Neurological diseases. Accreditation has been requested by the Continuing Education Commission of the National Health System. A certificate will be delivered to attendees who meet a minimum of 80% attendance and have passed the final test of the course.

HYBRID EVENT

In Person and on Virtual Platform.
