

Dear National Neurological Society Representative,

With this letter, we would like to send you updated information about EAN that shall be posted on Society's website when feasible. In case you do not have a website, or your website is currently under construction, kindly send this information to the Members of your Society. We hope for your active collaboration in this regard in order to have correct information on your website about EAN.

We would kindly ask you to include the following points on your website:

- Membership benefits of Associate members of EAN (1.)
- Information on the Brain Health mission (2.)
- Congress banner (provided by EAN annually)

Important: As the collaboration between EAN and eBrain has ended in 2021, we would kindly ask you to check and remove any information and links you have on the website in this regard.

1. Associate membership benefits are the following:

- Access to the online learning platform [eanCampus](#)
- Reduced [Congress registration fee](#)
- EAN Guideline Reference Centre ([Guideline Reference Center - ean.org](#))

If the Associate membership is not visible for you under "Membership" section on your MyEAN account, please reach out to membership@ean.org and we will be able to assist you further.

2. In regard of the Brain Health Mission, we have prepared you a short info text that can be implemented on your website if feasible:

'The Brain Health Mission (www.BrainHealthMission.org), an initiative by EAN, launched in May 2023, is an advocacy campaign which aims to equally support people around the world to take care of their brain health. Every human being, regardless of age, gender, or background, deserves a healthy brain and a healthy nervous system. The numerous factors that influence our brain status reach from preservation factors like healthy food, mental activity, physical activity, and good sleep to protective and prevention aspects like cholesterol control or normal blood sugar. As a uniting force, the Brain Health Mission invites everyone to join in and help increase their brain capacity and lead a healthier, happier life.

For inquiries, please contact brainhealthmission@ean.org'

Thank you for your attention and kind assistance with this! Should you have any questions, please do not hesitate to contact us at membership@ean.org.

With kind regards,
EAN Membership department
